

VOLLEYBALL

All business conducted by sport committees must be submitted as recommendations to the Administrative Committee.

I. Regular Season

A. Schedule

1. Teams must schedule each conference opponent twice for a 3-out-of-5 match during the assigned weeks of the season (Refer to master schedule). Both coaches must agree upon the assigned dates. If both coaches cannot agree on the dates, then the MCC conference volleyball chair will serve as a mediator to resolve the date conflict.
2. The master schedule will serve as the guide for scheduling conference matches.
3. The conference recommends a 7:00 pm start time for weeknight conference matches. The conference recommends a 3:00 pm start time for Saturday matches, but a start time between 1:00 pm and 7:00 pm is acceptable. An earlier start time could be agreed upon by competing institutions. Both coaches and both athletic directors must agree to the time change.
4. The double round-robin season play results will determine the final conference regular season standings (first through ninth) for points toward the MCC All-Sports Trophy.

B. Match Protocol

1. All teams hosting conference matches and/or conference tournament matches will have the locker room(s) and training facilities available one and a half hours before match time.
2. The locker room(s) will be free from all other activity for the visiting team(s).
3. If the visiting team makes advance request for a full-court warm-up, all efforts will be made to accommodate the request, including if needed, designating full court warm-up time within the one hour mark prior to the match start.
4. The court will be set up and available no less than one hour before match time.
5. The conference match warm-up protocol will be shared court at the hour prior until match time, and the standard 4-4-5-5 alternating full court warm-up nineteen minutes before match time.
6. If a host team does not adhere to pre-match protocol, the match starting time may be delayed to compensate for the delay to the visiting team. Reports of such infractions will be made to the volleyball chair who will then contact the MCC Commissioner and the host school athletic director.

II. Rules Governing Play – NCAA volleyball rules will be followed, with NAIA modifications.

III. Official Balls – In regular season play, MCC schools may use the ball of their choice, but the official NAIA championship ball (Tachikara) is recommended. The official NAIA championship ball (Tachikara) will be used during the MCC postseason tournament. The host school(s) will be responsible to provide the official NAIA championship ball (Tachikara). If available by contract these balls may be supplied by the NAIA National Office.

IV. Officials

- A. Greg Roth will be responsible for assigning officials for the 2010 season.
(260) 438-0516
gjroth@juno.com
- B. Please note the MCC schools will be using a voucher system for all officials' payments.

- D. Officials for conference matches will be assigned by the MCC volleyball supervisor of officials. The supervisor of officials will be determined and contracted by the Commissioner of the MCC. The conference is responsible for the stipend of the supervisor of volleyball officials.
- E. Exhibit C (see attached) will be used along with the entire schedule by each school for assigning officials. Volleyball assignor—Greg Roth—should receive the “Volleyball Official Rating Sheet” by March 15 of each year. E-mail to gjroth@juno.com and copy the conference chairperson.
- F. The following rates will be paid to officials for conference matches:
 - 1. \$95.00 per single regular season match
 - 2. \$80.00 per dual match, tri-match, quad match, or regular season tournament.
 - 3. Regular season linemen will not be paid.

 - 1. An assigned official cannot fulfill an assigned contract and a substitute official must be found.
 - 2. A substitution is made by an official without the host coach's knowledge or approval.

V. Conference Tournament

- A. The top eight (8) teams in the final conference standings will compete in the single-elimination conference tournament.
- B. Standings at the end of regular season play will be used for determining seeding for the Conference Tournament and for All-Sports Trophy purposes.

In the event of ties between three or more teams in the final conference standings, the same tie-breaker as above (Letter C) should be used with the following principle to be followed: Once one team is eliminated via one of the first three tiebreakers, then the tiebreaking process should start over at Tiebreaker #1 between the remaining teams until all ties have been broken.

E. Playoff Structure

However, the 1:00 pm match time may be modified IF both athletic directors of the teams represented agree to a time adjustment that will benefit the MCC through additional gate revenue and provide a better opportunity to staff the MCC Volleyball Tournament appropriately. In addition, the Conference Commissioner must approve the time change. If modifying the match time is mutually agreeable and benefits the Conference, the time will be adjusted accordingly. It is important that the game time be established as soon as possible after the match is determined.
